•Network level Out-of-Pocket includes deductible and coinsurance and flat dollar copayments.

•Preventive services include evidence-based services that have a rating of “A” or “B” in the United States Preventive Services Task Force, routine immunizations and other screenings, as provided for in the Patient Protection and Affordable Care Act.

•**Generic Incentive:** If a brand-name drug is requested when a generic equivalent exists, the member pays the brand-name copay plus the difference between the cost of the generic drug and the brand-name drug.

•**Specialty High-Cost Drugs** Must be filled by MetroHealth, Accredo or Gentry.

The proposed course of treatment for organ/tissue transplants must be pre-determined and approved by a Medical Mutual case manager (except for corneal transplants.) Failure to contact the case manager prior to the proposed course of treatment (including the evaluation) will result in a significant monetary penalty. Refer to your certificate for details.

**Benefits will be administered by Medical Mutual of Ohio. Benefits will be determined based on Medical Mutual's medical and administrative policies and procedures. This document is only a partial listing of benefits. This is not a contract of insurance. Only an officer of Medical Mutual may agree, orally or in writing, to change the benefits listed here. The contract or certificate will contain the complete listing of covered services. In certain instances, Medical Mutual's payment may not equal the percentage listed above. However, the covered person's coinsurance will always be based on the lesser of the provider's billed charges or Medical Mutual's negotiated rate with the provider.**
